SUPPLEMENTARY SUBMISSION UNDER 37 CFR 1.114

Sir:

Pursuant to our submission of October 14, 2005, it has been observed that the applicants inadvertently submitted a clean copy of the amended claims, rather than the print out showing the amendments, as intended.

The applicants therefore respectfully request that pages 3 to 8 of the submission made on October 14, 2005, be replaced with the attached pages correctly identifying the amendments. No additional amendments have been made to the claims beyond those submitted in the submission of October 14, 2005.

Amdt. dated October 20, 2005

Submission under 37 CFR 1.114 pursuant to Final action mailed 07/14/2005

Also, the applicant points out that the amended claims, directed to a plurality of cell counters, are believed to avoid the provisional double patenting objection.

Respectfully submitted,

Richard J. Mitchell
